

# Leave a Legacy

You may have the opportunity to touch a person in need of sight in an everlasting way!

By documenting in your will the wish to leave the gift of sight is one of the ultimate of kindness. A letter or verbal promise won't do, by state law, unless you have a legal will assets go directly to the next of kin. Unfortunately more than half of American adults die without creating a will or making their will legal. Regardless if your will contains a memorial gift to The Kentucky Lions Eye Foundation or not it is a very important document that needs to be updated and seen by a qualified attorney.

## Leaving a Legacy....

Should you desire to remember the Kentucky Lions Eye Foundation, Inc. in your will request your attorney to use the following clause:

" I hereby bequeath and devise to the Kentucky Lions Eye Foundation, Inc., a nonprofit, tax-exempt corporation, whose principal address is at 301 East Muhammad Ali Boulevard, Louisville, Kentucky 40202, the sum of \_\_\_\_\_ to be used for its general purposes."

Kentucky Lions Eye Foundation is a major project of the Lions of Kentucky which is in association with the Lions Clubs International. All work done within these organizations is non- profit and totally to the benefit of the patients. All funds are used to help those not financially able to obtain proper eye care and to build up the Foundation so that more individuals may be assisted. The Lions are people who are dedicated to helping prevent blindness, making sure that people receive proper eye care and the appropriate eye glasses.

For help including the KLEF in your will, a brochure is available. Call the Kentucky Lions Eye Foundation if you would like some of brochures.

Also, the Chief Executive Officer would be happy to speak to you at your convenience.
