

Kentucky Lions Eye Foundation Scheduling Visits to Clubs in Your Region

To insure you are able to visit all the clubs in your region, it will be necessary to do some preliminary planning. Many of the Lions Clubs meet on the same days each month. The best way to plan your visitations is to use the following procedure:

Week	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
1 st							
2 nd							
3 rd							
4 th							
5 th							

In the appropriate column list all the clubs that meet on the 1st – 5th day of the month. List all your clubs by name in the proper square which indicate the meeting dates. Once this is completed, you can readily see which days of the Month have more than one club meeting.

If most of your clubs are meeting on the same date, you will need to begin your visits early in the year. It will take you four months making two visits per month to visit eight clubs if they all meet on the 1st and 3rd of the same day.
