State Convention 2022

Service Project Title

“On the Move”

Dear Kentucky Lions:

This is the updated information on our 2022 State Convention Service Project. There are 9 counties in District K and 7 counties in District Y that we will be working with. Please keep in mind that the agencies in both parts of Kentucky will give these emergency bags to the counties when the needs arises, they will be given out to each District region.

I plan to attend the council meeting in October and the cabinet meetings as they come on the calendar. So if you have any of the donated items for our State Convention Service Project please bring them to the meetings and I will take them with me. I need to keep track of the amount of items donated so that when the time gets closer to the convention in May, 2022 that way I will have time to shop for anything needed. I will also be taking any items you want to donate to the State Convention Silent Auction.

If you wanting to donate money for both the service project and the silent auction, you can now send a check to our state treasure, his new address is below.

I sincerely hope that we all come together again for another successful service year and work together on this worthy cause, after all these children need our service and help.

Respectfully,

Lion Sue Collins,

Service Project Chair
